

Job Opportunity

SLV/USAID Social Safeguards Coordinator

Position Description

Summary

The Social Safeguards Coordinator will support the day-to-day implementation and monitoring of the safeguards and standards plans across the Activity (CBEs and BFE), ensuring the transversal integration approach of standards toward gender, inclusion, female empowerment, and other safeguards in the implementation of the Activity components. He/she will develop quarterly, and annual monitoring and implementation plans for safeguards reporting, monitoring, and adaptive management as needed and will take on strategic decisions and high-level coordination with other consortium partners.

For almost three decades, Conservation International has worked in the Southeast region of Mexico to implement conservation solutions within priority landscapes. Through cutting-edge science, innovative policy, and global reach, we empower people to protect the nature that we rely on for food, fresh water, and livelihoods.

Conservation International Mexico has a strong commitment to inclusion, diversity, and equal opportunity employment of minorities, females, and individuals with disabilities. People of all backgrounds are welcome to participate.
